# ***ACTIVE VILNIUS***

## *Operational strategy*

2022 – 2027

# We are

A non-profit public establishment  
that takes full care of the  
activeness of the residents of  
Vilnius city.

## Our MISSION

Development, management and maintenance of sports facilities in Vilnius, ensuring their availability and accessibility to every resident of the city.

# In 2021

80+ different sports and health initiatives, events and projects were carried out.

**At this time, we are responsible for these sports and leisure areas and their maintenance (1):**

- Maintenance of the newly installed **Kaukysa sports ground** in Paplauja;
- Active ongoing maintenance of renovated **school sports stadiums**, of which there are now 23;
- Execution of the process of organizing the **Vilnius skating rink (seasonal annual project)** near the White Bridge;
- Ongoing maintenance of the **White Bridge sports ground**.

At this time, we are responsible for these sports and leisure areas and their maintenance (2):

- Maintenance of the 100 km trail around Vilnius;
- Organization of the activities of the *Žemynos* sports hall;
- Optimization of **JEEP** arena activities;
- Ensuring the smooth running of the *Fabijoniškių* pool and sport club;
- Performing regular maintenance of the dome of the *Pilaitė* football manège.

## ***Fabijoniškių* pool and sport club**

- More than 400 athletes from the Vinius City Sports Center train in *Fabijoniškių* pool;
- A swimming teaching project for second graders is organized – more than 4,000 second-graders are taught swimming for free in the capital;
- We have more than 1300 regular client members;
- More than 1000 visitors visit the pool every day.

# Kaukysa sports ground

- In September 2021, a new, modern sports ground was opened to the community, open 24 hours a day;
- In it – track and field running tracks, artificial turf basketball courts, two beach volleyball courts and two paddle courts, artificial grass football field, outdoor exercise machines, table tennis, chess tables.

## 100 km trail around Vilnius

- A continuous 100 km route loved by Vilnius residents – suitable for everyone who likes to run, walk and explore undiscovered places in Vilnius;
- Running workouts, seniors' hikes, orienteering competitions are organized on this trail.

# Žemynos sports hall

- The area of the multifunctional sports complex – 4.2 thousand. sq. m.;
- Equipped with three integrated basketball courts, 2 volleyball or tennis courts, a gym, and administrative premises;
- Improved quality, development and accessibility of non-formal education services in Vilnius;
- Thanks to the equipped electrically displaceable grandstands, up to 1500 spectators can watch sporting events in the building.

# White Bridge sports ground

- 9 beach volleyball courts, 3 double-sided basketball courts, children's playgrounds, outdoor gymnastics/calisthenics and outdoor exercise machine areas, roller skating and skateboarding park;
- Basketball courts have an FIBA certificate attesting to their compliance with European standards, the largest sand volleyball court is also adapted for international level competitions.

## Our VISION

To become the leading excellence center for sports infrastructure in the country.

## KEY AREAS FOR IMPLEMENTING OUR VISION:

### Maintenance

Development of a quality package of maintenance services.

### Management

Optimal handling of existing facilities.

### Developement

Holistic development of sports infrastructure.

### Promotion

Popularization of sports and active leisure.

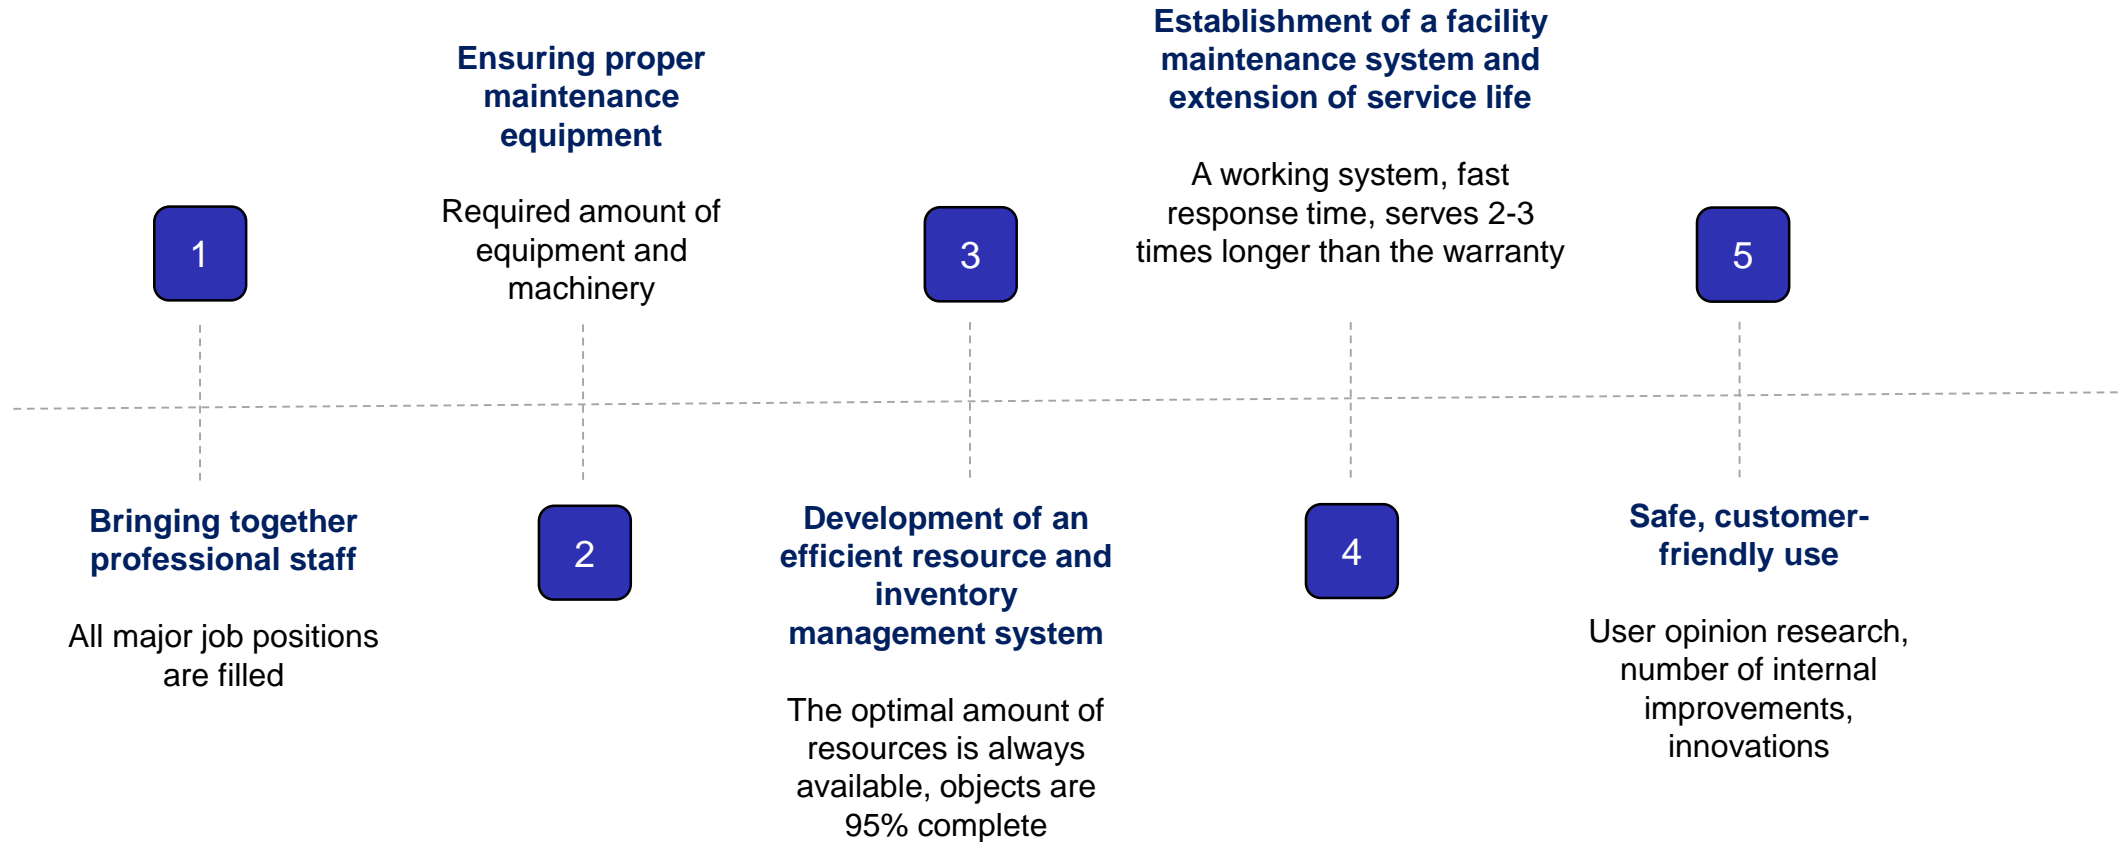

# OBJECTIVES AND RESULTS IN STRATEGIC OPERATIONAL AREAS
